

Extraordinary Service to Our Patients

- Convenient appointment times to accommodate your busy schedule.
- We obtain authorization from the insurance company in advance of your appointment, ensuring that you understand your benefits and the cost of your care.
- Offering the newest, most advanced state-of-the-art MRI system in Collier and Lee counties, allowing us to scan you faster and with greater comfort.
- Pleasantly appointed facilities with a kind, experienced staff.
- Rapid results to your doctor to eliminate the wait and the worry.

Patient Preparation

There are no specific preparations that you need to follow on the day of your examination. Our office will call you prior to your appointment to discuss your medical history and to ensure that you will have a safe and successful experience with us. You may eat or drink as usual on the day of your appointment.

Some General Suggestions For Your MRI Appointment:

- Please arrive at the MRI Center fifteen minutes prior to your appointment time.
- Bring all insurance information and your written prescription for your MRI from your physician.
- If you are a woman having a head or neck scan please refrain from wearing any makeup as it may contain metallic ingredients which will interfere with the scan.
- If you are claustrophobic we can provide a sedative to help with anxiety, also you are welcome to bring a friend.
